

Dear Sir/Madam,

Firstly many congratulations on your engagement and thank you for your recent enquiry.

I am delighted that you are considering the beautiful Ampfield Country Club for your forthcoming wedding reception and hope that you find the enclosed pack helpful.

The Club is ideally located between Romsey and Winchester in the pretty and highly sought after area of Ampfield and conveniently located only a few miles from the M27 and M3 motorway.

We have fast become the leading venue in the area for wedding receptions and parties; this is due to the extremely high standards that we set in terms of quality of food, service and attention to detail and the warm and inviting atmosphere that is created from the moment they step in.

Our highly skilled Head Chef is sure to impress you with his culinary delights. All our food is homemade, working with the seasons, and our produce is locally sourced from the surrounding area. We will be delighted to assist you with menu choices, wines, seating arrangements and much more!

The Banqueting Room, where your wedding breakfast would take place, is complete with a private bar and features double doors that lead out onto the lovely private terrace. The Banqueting Room and terrace offer stunning views over the course. Whilst on the terrace guests can enjoy reception drinks and canapés.

The Banqueting Room also boasts a piano so you may wish to consider a cocktail pianist during the meal or reception. There is a designated area for a Band or DJ and the room is also complete with a large wooden dance floor. I am pleased to say that we can accommodate a maximum of 80 guests for a formal wedding breakfast and a maximum of 120 for an evening reception.

Should you have over 80 guests a marquee can be perfectly positioned on the putting green, overlooking the course and would cost from £3,000 upwards depending on your specifications. Marquee weddings are an excellent choice and give you a fantastic blank canvas to work with allowing you to create a true fairytale wedding!

The Lounge Area also has a large fully stocked bar and has the added benefit of an open log fire for those colder months. This room is ideal for those who wish to relax in the evening.
