"Your Wedding Day at Ampfield Country Club"

No matter how large or small an occasion you are planning, you can be safe in the knowledge that we will plan and prepare your day with enthusiasm and professionalism.

Throughout this brochure you will find details of costs, sample menu's and local suppliers that you may wish to use.

Whatever your requirements our dedicated Events Coordinator would be delighted to hear from you.

"The Banqueting Room"

The Banqueting Room, where your wedding breakfast would take place, offers spacious surroundings and an idyllic setting with panoramic views of the course. This room is complete with a private bar and features double doors, which lead out onto the lovely private terrace overlooking the course. Whilst on the terrace guests can enjoy reception drinks and canapés.

The Banqueting Room also boasts a piano so you may wish to consider a cocktail pianist during the meal or reception. Come the evening the tables are removed from the centre of the room to reveal the dance floor and lights are toned down to give just the right atmosphere!

I am pleased to say that we can accommodate a maximum of 80 guests for a formal wedding breakfast and a maximum of 130 for the evening reception.

"Marquee within the grounds"

Should you have over 80 guests for formal dining then a marquee can be perfectly positioned on the putting green, in front of the clubhouse, nestled amongst the picturesque greenery of the course. You may enjoy the comfort and warmth inside the marquee and your guests can still appreciate the surrounding freedom of the landscape outside.

If you wish to have a marquee this would then allow you to have around 160 guests. The most wonderful thing about marquees is that you are working with a blank canvas allowing you to create the fairy tale wedding of your dreams.

"The Bar"

The bar can be run in several ways according to your preference. You may like to keep it strictly cash only or you may prefer to have an account bar or "Tab" to a specified limit. Whichever you decide we are happy to run the bar according to your instructions and will adhere to it strictly unless otherwise advised.

"Planning your Wedding"

Your Wedding Day is one that you will remember forever, and the day you get married is perhaps the most important in any couples lifetime.

Ampfield Country Club offers the perfect venue for a stylish and romantic wedding day. With expertise planning and preparation, we will ensure your day runs smoothly, allowing you time to relax and enjoy the day with your guests.

Once you have chosen Ampfield Country Club, there are various aspects to be considered. It is vital to us that we have the opportunity to sit down and discuss your requirements, this will then enable us to prepare an estimate of costs for your special day.

"The Arrival Reception"

To help celebrate your special day it is customary to greet your guests with a “welcome drink” when they arrive at your reception. You may already have a particular drink in mind or you may like us to suggest something. Popular choices are Champagne, Pimms or Bucks Fizz. You will find within the pack our current canapés list that you may wish to choose from.

To create the perfect ambience, some couples choose to have live entertainment, such as a string quartet, to play on the private terrace, whilst guests enjoy pre-dinner drinks, or a pianist to play during the reception. This is something that we can arrange for you or you may wish to book your own.

As you can see the possibilities are endless when it comes to arranging the most special day of your lives and we are here to offer advice on any aspect of the day.

"The Wedding Breakfast"

As far as the Reception is concerned, food and drink is generally thought to be amongst the most important considerations.

We guarantee you will be impressed with our highly skilled Head Chef's culinary skills and menu choices. I am pleased to say that all our food is homemade and produce, where possible, is locally sourced.

Please note that if you do not see a menu that is suitable for your special day then we would be delighted to create you something that little bit extra special.

For weddings over 50 guests we ask that all your guests have the same meal, however, we are happy to cater for vegetarians, young Children and other specific dietary requirements.

"The Evening Reception"

You may decide to invite extra guests to join in the evening celebrations and perhaps have a disco, live music or some other form of entertainment. We can recommend several discos and live solo acts or you may wish to arrange your own entertainment.

We offer a great selection of menu's for the evening, ranging from Buffet's, BBQ's to Hog Roast's, however, if you have a specific menu in mind the Head Chef will be pleased to discuss this with you.
